This Limited Warranty only applies to Products that have been properly wired and installed; operated within the electrical values shown on the Products' labels; and operated in lighting equipment designed and approved for the application and in environmental conditions (temperature, humidity and air movement) within the normal specified operating range of the Products. If Buyer discovers within the Warranty Period a failure of the Products to conform with published specifications or a defect in materials or workmanship, it must notify Inventronics in writing within thirty (30) days of failure at the address set forth below to obtain a Return Material Authorization and shipping instructions. The parties agree that the statute of limitations for any cause of action for breach of this Limited Warranty is one (1) year from Buyer's discovery of the defect or non-conformity of the Products. If Inventronics determines that its Products are defective or non-conforming, Inventronics will, at its option, provide replacement Products that are the same or comparable to the original Products or credit Buyer with the full purchase price thereof. Replacement Products are warranted only for the remainder of the Warranty Period applicable to the replaced original Product and Inventronics shall not be responsible for any labor or expenses to remove or replace Products or for shipping costs for replacement Products. THESE REMEDIES ARE BUYER'S SOLE AND EXCLUSIVE REMEDIES FOR BREACH OF WARRANTY.

2. **What is Not Covered By this Limited Warranty.** This Limited Warranty does not apply to (i) Products damaged by abuse, accident, misuse, neglect, alteration, repair, disaster, Acts of God (including, without limitation, fire, flood, wind and lightning), improper installation, improper input supply, transient voltage spikes, power surges, unauthorized attachment or improper testing, (ii) defects caused by failure to provide a suitable installation environment for the Products, (iii) use in violation of any particular standard, code or instructions for use in installations, including but not limited to those contained in the National Electrical Code, the Standards of Safety of Underwriters Laboratory, Inc., Standards for International Electrotechnical Commission, Standards for the American National Standards Institute, or in Canada, the Canadian Standards Association, (iii) Products whose failure has been caused by a product or component not supplied by Inventronics, (iv) a defect caused by the Buyer or a third party or any error or omission or other fault in information, design, drawings, documents, data, software, materials or knowhow provided or specified by Buyer, (v) Products operated at a case temperature exceeding the "Operating Case Temperature for Warranty" as listed on the individual Product's data sheet; (vi) Products with any original Inventronics' factory labeling that have been altered, damaged or removed by the Buyer or a third party; or (vii) damage during shipment. Inventronics reserves and has the right to examine failed Products to determine the cause of failure and patterns of usage. Inventronics has no responsibility for any Product after the expiration of its Warranty Period.
3. **Compatibility.** Compatibility of any dimmers or LED module/array is the responsibility of Buyer to determine, unless Inventronics approved controls are used. Inventronics does not warrant the suitability of its Products for any particular application or use in any particular equipment.
4. **DISCLAIMER OF WARRANTIES.** THE FOREGOING EXPRESS WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTY OF MERCHANTABILITY, THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE AND ANY WARRANTY OF NONINFRINGEMENT OF THE INTELLECTUAL PROPERTY RIGHTS OF THIRD PARTIES. ALL SUCH WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED.
5. **Exclusion of Damages.** In no event shall Inventronics be liable for any special, incidental, consequential or punitive damages based on breach of warranty, breach of contract, negligence, strict liability, tort or any other legal theory. Such excluded damages include, but are not limited to loss of profits, loss of savings or revenue, loss of use of the Products or any associated equipment, loss to business reputation, cost of capital, cost of any substitute equipment, facilities or services, downtime, and the claims of third parties, including customers and injury to property.
6. **No Other Warranties.** Unless modified in a writing signed by Inventronics, this Limited Warranty is understood to be the complete and exclusive agreement between the parties, superseding all prior agreements, oral or written, and all other communications between the parties relating to the subject matter of this Limited Warranty. No employee of Inventronics is authorized to make any warranty in addition to those made in this Limited Warranty.
7. **Allocation of Risks.** This Limited Warranty allocates the risks of failure of the Products between Inventronics and Buyer. This allocation is recognized by both parties and is reflected in the price of the Products. Buyer acknowledges that it has read this Limited Warranty, understands it and agrees to be bound by its terms. This Limited Warranty extends to the original Buyer only.
